

Kelington gets RM150mil job

PETALING JAYA: Kelington Group Bhd unit Kelington Engineering (S) Pte Ltd has been awarded a RM150mil contract to provide ultra high purity (UHP) mechanical and electrical services and medical systems.

It will provide the systems to Holland Village Project in Shanghai under the contract from International Healthway Corporation Ltd.

The contract was targeted to commence this month and shall be completed by October next year and it was not renewable, Kelington added.
