## Kelington 3Q25 Net Profit Rises To RM41.1 Million, Declares 4 Sen Dividend

By *Adrian Phung* November 24, 2025

Kelington Group Bhd reported a 25% year-on-year jump in its third quarter ended Sept 30, 2025 (3Q25) net profit to RM41.1 million, on revenue of RM316.4 million, driven by a more favourable project mix and lower foreign exchange losses.

Net profit margin improved to 13% from 10.7% in the same quarter last year.

posted RM100.7 million in net profit on RM868.7 million in revenue, with the Advanced Engineering segment contributing 66.2% of total revenue.

Kelington declared a third interim dividend of 2.5 sen and a special interim dividend of 1.5 sen per share, bringing the total FY25 payout to nine sen per share (RM68.3 million), covering 67.8% of 9M25 net profit.

CEO Ir Raymond Gan highlighted the group's strong pipeline, noting RM1.1 billion in new project wins, including its first project in Dresden, Germany, marking Kelington's entry into Europe.

He also emphasised expansion into sustainable engineering, targeting carbon capture, green hydrogen and Bio-CNG solutions.

The group remains in a solid financial position with cash of RM471 million versus total borrowings of RM178.4 million and a strong order book of RM1.6 billion, supported by a RM4.6 billion tender pipeline.
